

We are pleased to announce our training schedule for May 2018, with training topics, based on the current industry requirements.

AMC Training Center schedule includes the below seminar topics (see also attached file):

---

**3/5      IMO DCS / NEW SEEMP**

---

**8/5      LEADERSHIP & EFFECTIVE COMMUNICATION**

---

**10/5     NAVIGATIONAL AUDITS**

---

**17/5     COMMUNICATION, TEAM BUILDING & GRATITUDE**

---

**23/5     OIL RECORD BOOK PART I**

---

**30-31/5  VETTING INSPECTION (TANKERS)**

---

Our Seminars are conducted by experienced professionals, based on modern learning methodologies, such as reflective learning, interaction, group and pair work as well as case studies.

It is our aim to provide well established, highly informative training courses, which cover the needs of the demanding maritime industry with a pleasant and interactive way.

We would be more than happy to arrange additional training courses based on your feedback and request.

We are looking forward to welcome you in AMC Training Center.

*“ALPHA MARINE CONSULTING” Maritime Training Center has been certified by BUREAU VERITAS under the requirements for the certification of Marine Training Providers Scheme and in accordance with the requirements of ISO 9001:2015 standard.*
